## **Architectural Group International (AGI) Hires Graduate Architect**

Covington, Kentucky based Architectural Group International (AGI), hires Graduate Architect, Machi Lutz.

Lutz brings 10 years of architectural experience to AGI's successful international design team. Machi graduated with a Master's Degree in Architecture from University of Illinois along with an undergrad in Arts in Architecture from Miami University.

Machi will be responsible for preparation of design, technical documents and project coordination for AGI's worldwide clientele.

**About AGI;** Established in 1997, Architectural Group International provides a wide variety of design, documentation, and program management services for international retailers, developers, and franchisees. AGI promotes cutting edge design concepts that support clients' business goals and directives, providing flexible, unique, and lasting solutions.
